Bangor Cricket Club Safeguarding Children and Young People Policy

This Safeguarding policy is based on guidelines and legislation outlined in the following documents:

- Code of Ethics and Good Practice for Children's Sport, Sport Northern Ireland 2006.
- Children (NI) Order 1995.
- Our Duty to Care NI, DHSSPS 2007.
- Getting It Right, DHSSPS 2004.
- Co-operating to Safeguard Children DHSSPS 2003.
- Protection of Children And Vulnerable Adults (NI) Order Information Notes 1-3.
- Area Child Protection Committee – Regional Child Protection Policy 2005.
- Safeguarding Vulnerable Groups (NI) Order 2007.

The word safeguarding is defined as **“Doing everything possible to minimise the risk of harm to children and young people.”**

Safeguarding is about being proactive and putting measures in place in advance of any contact with children to ensure that children are going to be kept safe. This could include:

- Ensuring staff are properly checked when they are recruited;
- Guidelines for people who come into contact with children as part of their role to ensure they know what they need to do to keep children safe; and
- Guidelines for planning an event or activity with children and putting measures in place to minimise the risk of safeguarding issues occurring.

The **Children (Northern Ireland) Order (1995)** is based on a clear and consistent set of principles designed with the common aim of promoting the welfare of children.

Children have the right to be safe. All coaches should ensure that this fundamental principle takes precedence over all other considerations.

This policy applies to all those involved in Bangor Cricket Club, coaches, administrators, officials, volunteer drivers, parents and young people.

- Create an open environment by identifying a 'Designated person' to whom the children can turn to if they need to talk.
- Adopt child centred and democratic coaching styles.
- Adopt Safeguarding guidelines through Codes of Conduct for members and all adults working at the club. Adult workers include coaches, parents and volunteers.
- Ensure careful recruitment, selection and management procedures. These procedures will include regular support and supervision is provided to staff/volunteers.
- Share information about concerns with children and parents and others who need to know.
- Provide information as required to the management committee.
- Ensure good and safe working/playing practices.
- Be involved in training made available through the various agencies and strengthen links with these agencies.
- Keep Safeguarding policies under regular review (every three years minimum).
- Have an induction document available for parents, coaches and children clearly outlining their rights and responsibilities.

We at Bangor Cricket Club will never promise to keep secrets. However, information of a confidential nature will only be communicated on a "need to know" basis, with the welfare of the child paramount.

Considerations of confidentiality will not be allowed to override the rights of children or young members to be protected from harm.

The **Designated person** within Bangor Cricket Club is:

NAME: James Griffin

CONTACT DETAILS: 07775 752007

The Designated Person shall be made known to young members, coaches and parents alike; as the designated person to whom concerns will be addressed. If the concern is about the designated person please report to Club Chairperson.

Guidelines for recording/dealing with incidents/accidents will be outlined later in this policy document.

AWARENESS OF THE ISSUES

Background knowledge in relation to child abuse, the general principles of Safeguarding and the ability to recognise and respond to abuse are important issues. Of primary concern for Bangor Cricket Club is the issue of Safeguarding of our young members within the operation of the club. However, being cognisant of the indicators of abuse in respect of young members caused by others outside the club, are of an equal importance for the safety and well being of that child.

Co-operating to Safeguard Children 2003 formally recognises four types of abuse:

1. Physical Abuse

Physical abuse is the deliberate physical injury to a child, or the wilful or neglectful failure to prevent physical injury or suffering. This may include hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, confinement to a room or cot, or inappropriately giving drugs to control behaviour.

2. Emotional Abuse

Emotional abuse is the persistent emotional ill treatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may involve causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of ill treatment of a child, though it may occur alone. Domestic violence, adult mental health problems and parental substance misuse may expose children to emotional abuse.

3. Sexual Abuse

Sexual abuse involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative or non-penetrative acts. They may include non-contact activities, such as involving children in looking at or the production of pornographic material or watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

4. Neglect

Neglect is the persistent failure to meet a child's physical, emotional and/or psychological needs, likely to result in significant harm. It may involve a parent or carer failing to provide adequate foods, shelter and clothing, failing to protect a child from physical harm or danger, failing to ensure access to appropriate medical care or treatment, lack of stimulation or lack of supervision. It may also include non-organic failure to thrive (faltering growth).

In addition to these, Bangor Cricket Club recognises that we have a responsibility to protect children from bullying (Co-operating to Safeguard Children DHSSPS, 2003).

Coaches should challenge bullying in any form i.e. physical or emotional. Physical bullying can take the form of attacks, such as hitting, kicking, taking or damaging belongings. Emotional bullying may be a verbal assault, including name-calling, insults, repeat teasing, sectarian/racist assaults, or it may take more indirect forms, such as spreading malicious gossip, rumours or excluding someone from a social group.

Bullying is not an accepted behaviour towards anyone at Bangor Cricket Club be they child, coach, volunteer or parent. Anyone found to be bullying others will be dealt with seriously both in regards to the behaviour exhibited and the reasons for the behaviour.

INDICATORS OF ABUSE

The following is a list of some indicators of abuse, but it is not exhaustive:

WELCOMING AND SAFEGUARDING CHILDREN WITH A DISABILITY

Bangor Cricket Club is committed to ensuring cricket is open, and accessible, to all members of the community and they are supported to achieve their potential in any capacity whether as a player, volunteer, coach or official.

Children with disabilities are children first, and need to enjoy opportunities and experiences open to all children in a safe environment. Bangor Cricket club is committed to supporting disabled children to be fully involved in cricket through a range of activities, training and supportive good practice guidelines.

Bangor Cricket Club will proactively plan for the inclusion of people with disabilities in all aspects of the club and take practical steps to bring about a positive change. This will include:

- Adopted a positive attitude about the inclusion of people with disabilities.
- Provide 'reasonable' physical access for people with disabilities.
- Plan how people with disabilities can best participate in all aspects of the club's activities (e.g. playing, coaching and club administration).
- Pro-actively implemented an action plan.

SAFE RECRUITMENT PROCEDURES FOR VOLUNTEERS/COACHES

- Volunteers and coaches are carefully selected, trained and supervised. The office bearers of the club committee must vouch for new volunteers/coaches potential involvement and their participation must be ratified by the unanimous approval of the Committee.
- All new volunteers working with children or young people must complete a volunteer's application form.
- All new coaches working with children or young people must complete a coaches' application form.
- Declaration of past convictions or cases pending and agreement to have an Access NI check completed, is of course a pre-requisite to approval to coach/volunteer to work with young people.
- All volunteers/coaches must agree to abide by the club's Safeguarding Policy and all are required to sign the Code of Conduct for coaches and volunteers.
- All volunteers must agree to abide by the club's Guidelines for Volunteers Working with Children
- All coaches must agree to abide by the club's Guidelines for Coaches Working with Children

TRAINING FOR VOLUNTEERS/COACHES

This club will:

- Ensure governing body approved coaching sessions for volunteers/coaches have been scheduled at the club.
- When appointing volunteers/coaches consider their current or previous experience either playing or coaching cricket.
- Education and training in the basics of Safeguarding will apply to all coaches/volunteers/management committee members working with the children or young members. Bangor Cricket Club is committed to continuous updating and review of our current Safeguarding Policy.
- Safeguarding training should include:
 - Basic awareness of Safeguarding issues
 - Our club/organisation's Safeguarding policies and procedures including our Code of Conduct
- Safeguarding training will be carefully selected to ensure it is sufficient. For instance a one hour training session is unlikely to be very useful. A minimum of three hours is required for basic awareness raising, and we will seek that training from a specific training provider with experience and knowledge of good practice in sport.

- Ensure that all new coaches have attended Safeguarding awareness workshop within six months of taking up their post. This opportunity should also be made available to parents and other volunteers to enable a culture of a child-focused club to prevail.
- Ensure all staff and volunteers should receive induction, and training appropriate to their role. Training should be updated and reviewed regularly for new staff/volunteers and in line with changing legislation.

CODES OF CONDUCT

A Code of Conduct lets all our staff/volunteers in our club know what behaviour is expected and what is unacceptable. It will also let all involved know what sanctions will be applied for non-compliance with the Code. A written Code of Conduct will be prominently displayed or communicated to everyone associated with your club/organisation. It will be applied consistently. This club has a Code of Conduct for coaches/volunteers and young people and a code of expectations for parents/guardians.

SUPPORT and SUPERVISION

Bangor Cricket Club recognises that it is good practice to set up a system of support and supervision of staff/volunteers. This will enable staff/volunteers to become more effective by identifying training needs and dealing quickly with difficulties. (For those with staff see staff handbook for further details on supervision). Volunteers will be offered regular opportunities to review their experiences at Bangor Cricket Club and to identify any training or further support they require.

GUIDELINES FOR REPORTING ACCIDENTS

In the event of an accident, the following procedure will be carried out:

- Fill in two copies of the Accident Form for **ALL** accidents.
- Make contact with parents/guardians.
- One copy of form to incident book/folder.
